MEETING MINUTES

	<u>DISCUSSION</u>	<u>ACTION</u>
Attendance	Anne Pedrick, Michael Sullivan, Sue Graham, Kelly Cover, Tracy Bell, Kristin Joyce, Marj Hershberger, Kathy Lefebvre, Pam Jimenez, Laura Lawler.	
Minutes	The minutes were approved from the February 21, 2011 meeting.	
Subcommittee Activity	<p>Marjorie Hershberger discussed her presentation to the Joint Sunset Committee on behalf of the Office of Child Care Licensing. She also provided a verbal report to the Joint Commissioners on 3-11-11. The meeting with March of Dimes was discussed and Dr. Rachel Moon will be coming to Delaware on 11-15-11 at Christiana Care Hospital.</p> <p>Infant Safe Sleeping will be incorporated into the CCHS Pediatric Grand Rounds. It will also be part of the mandatory education for the NICU.</p> <p>The article with NPR on infant safe sleeping will be coming out within the next couple of months. And the Joint Commission Conference will be on 10/19 and 10/20/11.</p>	
Old Business	In regards to the Halo Sleep Sack Project, Dr. Lawler is in support of this program in the NICU. They would like to pull data on the hospitals who are using the sleep sacks. The biggest support for this program is due to the thermal regulation and parental education. No update on grants. The Bayhealth questionnaire was discussed and it appears that there is more education happening with physicians. This was a surprising response.	
New Business	<p>The large disparity in the African American Community with the unsafe infant sleeping deaths was discussed. Another critical issue is the overheating among the Hispanic population.</p> <p>Future activities include training by Marj at the DAPI program in Wilmington and a future presentation at the Standards of Care committee of the DHMIC on 5/18/11.</p>	Marj would like to write a newsletter article on the Bay health baby fair questionnaire
Next meeting	<p>September 8, 9:30 a.m.- 11:00 am. Christiana Care Hospital, AmmonCenter, room 2.</p> <p>Respectfully submitted by: Anne Pedrick</p>
